Who in San Luis Obispo County Would Be Affected by the Governor's Proposed Budget?

The Governor has proposed substantial reductions to virtually all state-supported services to close the state's budget gap. The Legislature will consider these proposed reductions and other options during upcoming budget hearings. Who in San Luis Obispo County would be affected by the Governor's proposals?

- 33,350 students served by San Luis Obispo County's public schools. Cuts to five of the largest funding allocations for public schools in the county would equal \$503 per student.
- 640 low-income children dropped from the CalWORKs Program.
- 5,510 low-income seniors and persons with disabilities who would lose the state cost-of-living adjustment for Supplemental Security Income/State Supplementary Payment cash assistance grants.
- 1,540 low-income seniors and persons with disabilities who would receive fewer hours of services through the In-Home Supportive Services Program.
- 70 fewer children enrolled in child care and preschool due to funding cuts to child development programs.
- 670 low-income children in 2008-09 – and a total of 1,230 children by 2009-10 – who would lose Medi-Cal coverage due to increased paperwork requirements.
- 28,840 low-income Medi-Cal recipients who may have reduced access to health care services because of payment cuts to health care providers.
- 5,370 children enrolled in the Healthy Families Program, which provides low-cost health coverage for children in low-income working families. The Governor proposes to increase family premium contributions and copayments and reduce dental services.
